FOR IMMEDIATE RELEASE

Hays Central Appraisal District Seeks Applicants for Appraisal Review Board

The Taxpayer Liaison Officer for the Hays Central Appraisal District is accepting applications for consideration from candidates seeking appointment as Appraisal Review Board (ARB) members. Service on the ARB would begin January 2021 for the 2021-2022 term. Applications are available online at hayscad.com or at the Hays Central Appraisal District office at 21001 North IH 35 Kyle, Texas, or by calling 512-268-2522. The primary responsibility of the ARB is to weigh evidence and provide resolution of matters relating to appraisal, exemptions and challenges that cannot be resolved informally with the Appraisal District.

Individuals seeking appointment must be a resident of Hays County for at least two years and be current on property tax payments. ARB Members may serve all or part of three consecutive terms. An ARB member must be available for hearings at the Appraisal District Office in Kyle. Meetings are typically held 1-2 times per month, except during the months of May-August, when the ARB must convene daily. Hearing times typically begin at 9am and end at 5:30 pm. Additionally, hearing times may be extended to include an evening and/or a weekend. ARB members do not work for the Appraisal District, nor does the appointment constitute a full-time job, but members are compensated when conducting hearings.

Applications must be submitted by Friday, December 4, 2020 to:

HCAD Taxpayer Liaison Officer

Attn: Deborah Waterman
